Rodef Shalom

Robin Hill at 9:00 am

This month's get together will be a trip to Rodef Shalom Biblical Botanical Garden. They invite you to enter the Holy Land, a replica of ancient Isreal with more than 100 temperate and tropical plants. See the land of the Bible, the Holy Land - ancient Isreal, in a setting of a cascading waterfall, a desert, a bubbling stream - the Jordan - which meanders through the garden from Lake Kineret to the Dead Sea. Brochures and books are available. All plants are labeled. A Biblical verse accompanies each plant.

We will meet at Robin Hill at 9:00 am and car pool to the Fifth Avenue site.

Lunch will be at Cafe Sam's. This was a recommendation by the folks at Rodef Shalom.

Let Nancy Alstadt know by September 3rd if you will be going on the trip. Nancy can be reached at [nalstadt@comcast.net](mailto:nalstadt@comcast.net) or 412-262-4719.

Janet Love will be having a planning meeting for the flower show committee at Panera's on Monday September 20th at 9:30. This will be a brainstorming session. Because she's looking for lots of ideas, she is inviting any interested people to participate, not just the named committee members. Your talent is your ticket. If that date is a conflict for you, let Janet know. Contact her at 412-264-7542 or [earljanetlove@yahoo.com](mailto:earljanetlove@yahoo.com).

MCA-TV is going to be introducing a new cooking show called "Cooking Matters". It will premiere on Thursday, September 3rd and will air regularly at 9:00 am, 1 pm and 7 pm every Thursday. The cook is none other than our own Pam Krug. Sue Vandertie is the show's producer and she and Barb Karp will be handling the camera and audio work for each episode.

MOONFLOWER is the newsletter of the Moon Township Garden Club. It is published monthly from March to December and mailed to active, associate and prospective members. It is budgeted at \$225 a year. It is mailed on Monday of the week preceding the meeting. Items for inclusion should be received by the editor on or before seven days prior to that.
