The Yo Yo Guy!

Saturday, September 18th

3 p.m.

FREE!

Mark Hayward, yo-yo-er, juggler and all around cool guy, will be performing at the library! Mark is the Masters Division World Yo-Yo Champion. Revel in the excitement of tricks like the Atom Smasher, Boingy-Boingy and the Brain Twister, as well as old favorites like Walk the dog and Rock the Baby. He has performed on The Late Show with David Letterman and you can check him out at www.markhayward.net. Please register beginning August 30th.

What Mark Does?

Juggling is most loosely defined as the act of manipulating objects. Mark like to us this broad definition of juggling, as can be seen by his use of unusual props. Mark's show is primarily yo-yos and spin tops, but he still enjoys some of the old favorites like juggling clubs and torches.

Mark's performance consists of an amusing combination of comedy and object manipulation. He uses props such as yo-yos, tops and juggling equipment, as well as nontraditional performing props like a mousetrap (and even a wombat trap!) in a fun and witty style for a show that can be enjoyed by anyone.
