### Teen Volunteers Needed!

Looking for a volunteer opportunity? Love kids? If you answered "yes" to those questions, then come to Moon Library and help us out. The library is in need of 4 teen volunteers to act as babysitters for local kids here at the library on **Tuesday, February 14th from 6:00-8:00 PM** as we offer their parents the chance to celebrate Valentine's Day without the kids! Just call the library and volunteer your services, the first four teens who call will be taken, and earn some valuable community service hours while helping to give some families a special night out. Activities and snacks for the kids will be provided by the library, you just need to supervise. Contact Heather Panella, Public Services Librarian at 412-269-0334 if interested.

### Teen Craft Night: Colored Pencil Vases

On **Wednesday, February 15th from 6-7 PM**, join us at the library as we discover how to take ordinary colored pencils, empty soup cans, some glue and imagination and transform them into beautiful and useful vases that will hold anything you want!
